403	Forbidden	No Links

# Components

## Schemas

### ClientDTO

**Title:** ClientDTO

### Properties

Name	Description	Schema
age <i>optional</i>		integer (int32)
dateCreated <i>optional</i>		string (date-time)
dateUpdated <i>optional</i>		string (date-time)

Name	Description	Schema
email <i>optional</i>		string
id <i>optional</i>		string
lastName <i>required</i>		string
name <i>required</i>		string
phone <i>optional</i>		string

## OrderSaleDTO

**Title:** OrderSaleDTO

### Properties

Name	Description	Schema
client <i>optional</i>		<a href="#">ClientDTO</a>
dateCreated <i>optional</i>		string (date-time)
dateUpdated <i>optional</i>		string (date-time)
discount <i>optional</i>		number (bigdecimal)
id <i>optional</i>		string
products <i>optional</i>		< <a href="#">ProductDTO</a> > array
seller <i>optional</i>		<a href="#">SellerDTO</a>
totalOrder <i>optional</i>		number (bigdecimal)
totalOrderWith Discount <i>optional</i>		number (bigdecimal)

## PlanDTO

**Title:** PlanDTO

### Properties

Name	Description	Schema
ammount <i>required</i>		integer (int32)
clients <i>required</i>		< <a href="#">ClientDTO</a> > array
dateCreated <i>optional</i>		string (date-time)
dateUpdated <i>optional</i>		string (date-time)
description <i>optional</i>		string
id <i>optional</i>		string
name <i>required</i>		string
products <i>required</i>		< <a href="#">ProductDTO</a> > array

## ProductDTO

**Title:** ProductDTO

### Properties

Name	Description	Schema
dateCreated <i>optional</i>		string (date-time)
dateUpdated <i>optional</i>		string (date-time)
description <i>required</i>		string
id <i>optional</i>		string

Name	Description	Schema
name <i>required</i>		string
price <i>required</i>		number (bigdecimal)

## SellerDTO

**Title:** SellerDTO

*Properties*

Name	Description	Schema
age <i>optional</i>		integer (int32)
dateCreated <i>optional</i>		string (date-time)
dateUpdated <i>optional</i>		string (date-time)
id <i>optional</i>		string
lastName <i>optional</i>		string
name <i>optional</i>		string
phone <i>optional</i>		string
